Hope M. sends his license to you. I wrote him that it would be wise to do it. We passed Camp Pendleton for miles today. It is truly immense—a Marine Corp Base. I saw a Ha Cad. from Midn. (1) with a white Soldier in it—stop and pick up a colored Soldier on the road today. Two weeks from today we will be on our way home. Should be out of California perhaps by night. I'm ready to turn toward home any time now

Remember here tomorrow—
